

SUMMER SCHOOL 2025

The Rise Academy Summer School, now in its **fourth year**, is an unparalleled opportunity for young people to dive into the world of media technology.

Guided by industry leaders, participants experience a dynamic, hands-on introduction to real-world media production. The curriculum includes building and operating a **TV studio**, managing an **outside broadcast (OB) truck**, **creating graphics**, engaging in editing and **post-production**, exploring **virtual production**, and understanding the implications of **cloud technology**.

**Monday 28 July &
Tuesday 29 July**
at Dock10 Salford

**Thursday 31 July
& Friday 1 August**
at London Screen Academy
